

THE FULL MOON, TIME TO RELEASE

DECEMBER 26, 2023 7:33 PM EST

04 DEGREES CANCER 58 MINUTES

HOW:

THE SIGN CANCER:

The subconscious, the emotions, and instinctual behavior. Intense emotion and great sensitivity. This sign connects us with the past, our roots, family, and the way we were raised. This is the most fertile sign of the zodiac. Time to nurture, protect, and care for the things that we want to bring forth now. It rules the breast and the stomach. The house ruled by Cancer shows where, moved by emotion, you seek out experiences, which secure your Aries identity and build foundations in your personal life. You protect this area of your life like a mother protecting her young. You function in this area with “gut feeling”.

THE SABIAN SYMBOL: AN AUTOMOBILE WRECKED BY A TRAIN.

This is a symbol of the irresistible power of completion inherent in the very make-up of man's world whenever a sequence of events once is set in motion, as is evident continually on the objective side of things. Implicit in the reversed symbolism is the concept of control, or the assurance that it is not necessary to continue any given action to the point of self-cancellation. The ultimate obligation of the individual is to himself, and to the narrow and momentary direction of circumstances. The keyword is DISPERSION. When positive, the degree is a special genius for a creative reorganization of all experience, and when negative, an insensitive recklessness. “Sabian Symbols” Marc Edmund Jones.

THE DWAD: LEO

This is the sign of integrity, recognition, romance, affection, creativity, and play. When this sign is emphasized, we show kindness and generosity to others. We fall in love and put our heart into whatever we are doing. Time for ambition, independence, and leadership. People may refuse to recognize their limitations under this influence. This sign can be known for its overly dramatic behavior. It rules the heart and the upper spine.

Where Leo is in your chart is where you have the power to create, to make things happen by using your will. Leo is a fixed, determined, fire, goal-oriented sign; all the ingredients needed for success.

RULERS: MOON/SUN

The planet Saturn is in Pisces. Faith and trust in your journey. The Full Moon at 5 degrees Cancer is favorable to Saturn that is 3 degrees Pisces. Support and stability with what you believe in or envision. It is also very favorable to Jupiter at 5 degrees Taurus. A solid wisdom around all that comes up. All of that is really good energy. Mercury is retrograde in Sagittarius asking to take a second look. Mercury went retrograde on December 13th at 8 degrees Capricorn and will go direct January 1st, 2024 back in Sagittarius. Solutions if needed and the green light to move forward on the New Year. Mercury is favorable to Venus in Scorpio helping you work out any financial snags.
